

I Play You Play

for voice and smartphone

Andreja Andric 2019

Connect your smartphone's audio output to a sound system.

Access this page with your smartphone: <http://andrejaandric.altervista.org/IPlayYouPlay.html>

Press Play. You may swipe to change the accompanying sound texture wherever there is a fermata.

When there is a key change in the score, press the 'Modulation' button. Duration of a repeating cell in the electronic part corresponds to one bar in the vocal part.
